

# Winter Winter

Middle School Newsletter  
January 25, 2008

Oh my goodness.....it was COLD this week! You know its cold when the kids complain. (But that didn't stop some from wearing shorts.) Please remember all of the students go outside daily and must walk to the gym and cafeteria.

Last week, the Student Council had a meeting during the Activity Period. The Student Council reviewed what they have been working on and began working on the activity for February. The Student Council discussed having a party/dance, food drive and a Jr. Prom. More information will come home soon.

Our first group of students went to the Dolphin In-Water Adventure at the Indianapolis Zoo. The group had a great time. They were able to get in the water with the dolphins. We went into the Dolphin Classroom and watched a power point presentation about the dolphins. Did you know that a dolphin has between 85 and 100 teeth and they don't chew their food? We learned a lot about dolphins. This program is for 6<sup>th</sup> through 8<sup>th</sup> grades. Your child has received his/her date they will be going to the zoo. They must bring their swimsuit with them.

The SAT-10 test will be given February 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup>. Please make sure your child arrives at school on time and gets plenty of sleep. The test will be given in the morning only.

We are almost half-way through the third quarter. Please remind your child to do their homework and turn it in to their teacher. Many of the Middle School students are receiving 0's for their homework. Please follow-up with your child.

Jeff King is selling lollipops for \$ .50. The proceeds will go to the People to People Leadership program. Six of our students have been selected to go to Washington, D.C. next October. This will help with some of the cost. Thanks for supporting this program. (And the lollipops are good!)

Have a great weekend!  
Marie Kellam-Cook
